# Joe McKeen Cemetery

1835 - 1887

OxStm06

Location: From Route #5 and after sharep turn going toward Evergreen Valley, take dirt road on right. The cemetery is beside the Speckled Mountain Trail. At one time there were over 100 stones, but most have been removed and the blow-down of 1980 nearly obliterated the cemetery.

You'll know where to find me in heaven dear children, Though every sound___you have cherished be, You'll follow me home to the land of the blest, Where sighs are not heard and weary ones rest, I'm going to live with the angels so fair, I'll look for you children and wait for you there, Where tears do not flow and death cannot come, Together we'll dwell in that beautiful home." | OxWeP08     | 4573     |

# Olson Cemetery

Wilson's Mills, Oxford, Maine

1838 - 1995

OxWM02

Location: As you come into Wilson's Mills on Rt 16 you are coming around the sweeping left to the Magalloway River on the left before the bridge is the Olson Cemetery as it has been come to be known. It is an active Cemetery. It is about 100 Ft from the road and at the top of the river bank. It is an open field well kept by Lemuel Fickett's descendants the Olson's. The Olson house is on the other side of the road. It is just before you turn on the dirt rd to the Bennett Cemetery The original house burnt late 1800 with Lemuel's descendants just getting out with there lives.

Olson Cemetery, as you walk across the grass from Rt 16 you are looking at the back of the stones. We started with the stones nearest the road. Reading then from left (top of Magalloway River bank) to right.
